St. Andrew's Church
*Hvitfeldtsplatsen 2,
Gothenburg*

Entrance 60kr./40kr pensioners, students free

In association with

sensus

"The classical guitar is an instrument of introvert beauty, restricted in its dynamic range, but infinite in its possibility to combine colours and voicings into music that speaks to almost everyone."

Belgian guitarist **Elise Hermans** is discovering Sweden with a small repertoire, selected works from composers Heitor Villa-Lobos and Leo Brouwer.
