## Saturday 30<sup>th</sup> June 2018, 12.15

### The Bombadils from Canada

They create beautiful harmonies and enchanting melodies by reconfiguring Celtic and old-time music, sea shanties and poetry into a new folk framework.

Luke's guitar, mandolin and harmonies are the ideal counterpoint to Sarah's sweet-yet-powerful vocals, lyrical fiddle and claw-hammer banjo.

Innovative arrangements give their songs layer upon layer of sonically satisfying surprises.
